

REMARKS

Claims 1-11 are currently pending in the application. All claims stand rejected under 35 U.S.C. § 112, first paragraph, as allegedly failing to comply with the enablement requirement.

Due to an error in translating the application from the German parent, "nitrous oxide" appears in claim 1 instead of "nitrogen monoxide". Appropriate amendment has been made to be consistent with the Detailed Description, as originally filed.

Amendment has also been made on page 3 to correct a similar error resulting from translation.

A typographical error has been corrected on page 6 as well.

In light of the amendment, the rejection of claims 1-11 under 35 U.S.C. § 112, first paragraph, is believed overcome.

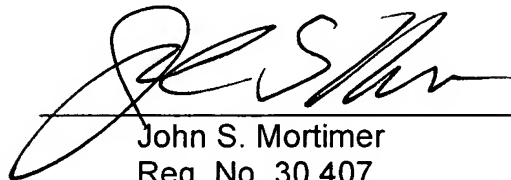

Claims 1-11 stand rejected under 35 U.S.C. § 112, second paragraph, as allegedly being indefinite. The Examiner has objected to language in claim 1 and has suggested amended language. The Examiner's suggested changes have been made to claim 1 to overcome the rejection under 35 U.S.C. § 112, second paragraph.

Reconsideration of the rejection of claims 1-11 and allowance of the case
are requested.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,
CLARK & MORTIMER
